

Tualatin SWCD and Forest Stewards Guild Workshops

Please be advised of an upcoming forestry workshop that the Tualatin SWCD and Forest Stewards Guild are hosting this weekend (June 10 – 11, 2022). Please see details below:

There are two half-day workshops, one on June 10 and the other on June 11. Both workshops will feature the newly-released "**Forestry for the Birds: Western Oregon**" guide. This guide was developed to be a communication tool between landowners and foresters to talk about managing the health of a forest to support bird habitat. We will be joined by [Tualatin Soil and Water Conservation District](#) Forestry and Wildlife Specialists.
