### How to Apply:

#### Please print and read the entire announcement and all the instructions before you begin.

You must complete the application process and submit all required documents electronically by 11:59 p.m. Eastern Time (ET) on the cut-off date or closing date of the announcement. Assistance is available during business hours (normally 9:00 a.m. - 7:00 p.m., Monday – Friday Eastern Time). Applying online is highly encouraged. If applying online poses a hardship, please contact FS HRM Contact Center Phone: 877-372-7248 Option 2 well before the closing date for an alternate method. All hardship application packages with supporting documents must be received no later than noon on the closing date of the announcement in order to be entered into the system prior to its closing. This agency provides reasonable accommodation to applicants with disabilities on a case-by-case basis. Please contact FS HRM Contact Center if you require this for any part of the application and hiring process.

#### Step1 – Create a USAJOBS account

(If you do not already have one) at www.usajobs.gov. It is recommended that as part of your profile you set up automatic email notification to be informed when the status of your application changes. If you choose not to set up this automatic notification, then you will have to log into your USAJOBS account to check on the status of your application.

#### Step 2 - Create a Resume with USAJOBS or upload a Resume into your USAJOBS account.

You may want to customize your resume to ensure it documents duties and accomplishments you have gained that are directly related to this position in order to verify that qualifications are met. In addition, your resume must support your responses to the online questionnaire (you may preview the online questionnaire by clicking on the link at the end of the How You Will Be Evaluated section of the job announcement).

#### Step 3 - Click "Apply Online"

Follow the prompts to complete the Occupational Questionnaire and attach any additional documents that may be required. You can update your application or documents anytime while the announcement is open. Simply log into your USAJOBS account and click on "Application Status." Click on the position title, and then select "Update Application" to continue.

FSA County employees must provide the most recent notification of Personnel Action (Form SF-50-B or FSA-50) that verifies permanent status. Also provide the SF-50 that reflects the highest grade level held on a permanent basis or the full performance level of your current position, whichever is higher.

This certification can be documented by a counselor from a State Vocational Rehabilitation Agency or the Vocational Rehabilitation and Employment Service of the Department of Veterans Affairs, by a statement or letter on a physician/medical professionals' letterhead stationery, or by statements, records, or letters from a Federal Government agency that issues or provides disability benefits. The certification must verify the applicant has a severe disability, is eligible under a Schedule A appointment authority, and he or she is able to perform the essential duties of the position. The certification must also describe any needed reasonable accommodation. You can review additional information at: Federal Employment of People with Disabilities.
- **Proof of Eligibility** if you are eligible for appointment based on service in the Peace Corps, Vista, Action Cooperative, or another special authority.

Ensure your resume matches the listed specialized experience requirement in plain language. This should be listed under a work experience that shows title, series, grade and time period performed so that HR can properly credit. - Allow yourself plenty of time to apply for positions. The USAJobs system closes all announcements at midnight Eastern Time on closing date.
- Print and read the entire vacancy announcement to ensure you have included all required information and documents. Be very specific with resume dates and duties, particularly showing 6 months of general (outdoor) work experience.
- Ensure you have a current IQCS Master Record (For returning fire applicants only)
- It is recommended that you also apply to nearby forest duty stations, multiple positions within the selected duty stations and multiple grades associated with the position of interest.
- Confirm that the announcement dates and job titles in USAJOBS align with those provided in this outreach.
- If you are a veteran with a valid DD-214, you may be eligible for Veteran Recruitment Act (VRA) direct hire. Please contact a supervisor listed below to discuss VRA potential in greater detail.
